**New Business:**

a) The results of the Student Project Showcase (SPS) – Spring 2022 were discussed. Award Certificates were discussed and a Certificate model was approved. The Provost was invited to discuss the challenges related to the organization of the SPS. No feedback so far.

b) Discussions related to the content and setup of the CoRSCW Website. Sub-committee members: Iulian Gherasoiu, Ana Jofre, Robert Edgell, to work on the definition of the site: what information to be displayed, what functions/links to be available, how often to update and what type of interaction should be possible. It was decided to start with a simple version that does not include uncontrolled upload of information and avoids the challenges posed by content vetting. Other functions to be developed at a later time.

c) Seminar organization: It was proposed that Andrew Gallup be invited to attend the CoRSCW meetings.

**Meeting adjourned.**
